Vitamin D3 (as Cholecalciferol)	400 IU	100%
Vitamin E (as d-Alpha Tocopherol)	30 IU	100%
Folic Acid (as Methyl Folate)	400 mcg	100%
Zinc (as Zinc Oxide)	15 mg	100%
Copper (as Copper Sulfate)	1 mg	50%
Selenium (as L-Selenomethionine)	30 mcg	43%
Co-Enzyme Q10	150 mg	**
Iron (as Ferrous Bisglycinate)	18 mg	100%
Proprietary Blend	2423 mg	**
L-Glutathione Reduced	*	
Myo-Inositol	*	
Melatonin	*	

* Proprietary Blend.

** Daily Value not established.

DESCRIPTION

FertilKey-F Forte is scientifically composed with essential antioxidants such as Myo-Inositol and L-Glutathione which helps to decrease symptoms associated with Polycystic Ovary Syndrome (PCOS) and improves a female's chance of conceiving. PCOS is characterized by ovulatory dysfunction, irregular menstrual cycle and insulin resistance; it may be also associated with oxidative stress (OS), which leads to an accumulation of reactive oxygen species that play a vital role in forming reproductive dysfunctions. FertilKey-F Forte is developed to help reduce oxidative stress, restore normal ovulatory functions as well as regulate menstrual cycle.

SUGGESTED USE:

As a dietary supplement, take one (1) caplet three times a day preferably with a meal, or as directed by your healthcare provider. Do not exceed the recommended dosage.

OvaPlan PCOS

TM222 90 Coated Caplets

DESCRIPTION

OvaPlan PCOS is an advanced fertility supplement rich in potential antioxidants that are formulated with the premium combination of Myo-Inositol, Chiro-Inositol, L-Glutathione, Pomegranate and antioxidants that protects the cells from oxidation reactions, limits cellular damage and helps to maintain cellular health. Oxidative stress is defined as unbalance between production and accumulation of reactive oxygen species (ROS). OvaPlan PCOS is indicated for women with Polycystic Ovarian Syndrome (PCOS) to help improve chances of conception and enhancing overall fertility and reproductive health.

OvaPlan PCOS aids in the treatment of insulin resistance and hyperinsulinemia that is one of the symptoms of PCOS.

SUGGESTED USE:

As a dietary supplement, take one (1) caplet three times a day, preferably with a meal, or as directed by your healthcare provider. Do not exceed the recommended dosage.

OvaPlan-CM

TM220 90 Vegetarian Capsules

WOMEN'S FERTILITY

SUPPLEMENT FACTS

Serving Size: 3 Vegetarian Capsules

Servings Per Container: 30

Amount Per Serving	% Daily Value	
Vitamin E (as d-Alpha Tocopherol)	30 IU	100%
Vitamin B-6 (as Pyridoxine HCl)	4.5 mg	225%
Proprietary Blend	1650 mg	**
Evening Primrose Oil	*	
Borage Seed Oil (Borago officinalis)	*	
L-Arginine HCl	*	
Grape Seed Extract	*	

* Proprietary Blend.

** Daily Value not established.

DESCRIPTION

OvaPlan-CM includes L-Arginine, Evening Primrose Oil, Borage Seed Oil, Vitamin B-6 and Vitamin E that help to soften cervical mucus, making it easier for the sperm to get into the egg. Additionally, it improves insulin sensitivity and helps the body to produce Nitric Oxide which promotes blood flow to the genitalia and ovaries and increases the chance of conception.

SUGGESTED USE:

As a dietary supplement, take one (1) capsule three times a day preferably with a meal, or as directed by your healthcare provider. Do not exceed the recommended dosage.

OvaPeak

TM221 120 Vegetarian Capsules

WOMEN'S FERTILITY

SUPPLEMENT FACTS

Serving Size: 4 Vegetarian Capsules

Servings Per Container: 30

Amount Per Serving	% Daily Value	
Vitamin E (as d-Alpha Tocopherol)	30 IU	100%
Folic Acid (as Methyl Folate)	400 mcg	100%
Selenium (as L-Selenomethionine)	70 mcg	100%
Proprietary Blend	2102 mg	**
L-Glutathione Reduced	*	
Myo-Inositol	*	
Grape Seed Extract	*	
Melatonin	*	

* Proprietary Blend.

** Daily Value not established.

DESCRIPTION

OvaPeak is formulated from Myo-Inositol, Folic Acid, Vitamin E and Selenium that promotes healthy follicles within the ovaries. OvaPeak main function includes the development and the releasing of eggs. Moreover, it supports the implantation of fertilized eggs within the uterus (VIT E). This master antioxidant can also protect against birth defects and miscarriages caused by DNA damage, it can stimulate the general rate of ovulation and the chances of conceiving.

SUGGESTED USE:

As a dietary supplement, take two (2) capsules twice a day preferably with a meal, or as directed by your healthcare provider. Do not exceed the recommended dosage.

Donna Power

TM228 30 Softgels

WOMEN'S FERTILITY

SUPPLEMENT FACTS

Serving Size: 2 Softgels
Servings Per Container: 15

Amount Per Serving	% Daily Value	
Rhodiola Rosea Extract (3% Salidroside)	100 mg	**
Soy Isoflavones	100 mg	**

Muir Puama Extract (as Liriodendron Ovata)	50 mg	**
Phenibut	150 mg	**
L-Citrulline	52 mg	**
Beta-Alanine	23 mg	**
Dimethylglycine (DMG)	104 mg	**
L-Tyrosine	62 mg	**
L-Histidine HCl	102 mg	**
Proprietary Blend	276 mg	**
L-Arginine HCl	*	
Horny Goat Weed (as Epimedium Grandiflorum)	*	
Yohimbine (Pausinystalia Yohimba)	*	
Maca Root Powder (as Lepidium Meyenii)	*	

* Proprietary Blend.

** Daily Value not established.

DESCRIPTION

Donna Power is specially designed for women to stimulate strength, stamina, libido, sensual awareness, positive emotions, energy as well as liveliness.

L-Arginine, an amino acid, works by promoting nitric oxide that leads to enhanced blood circulation. Maca is a powerful Peruvian herb that is effective for women going through perimenopause or menopause as it is rich in plant sterols that balance and strengthen the entire hormonal system. Damiana leaves have been associated with improvement of sexual function in females by increasing the sensitivity of genital tissues. Horny goat weed contains active substance known as icariin which has the ability to naturally increase nitric oxide that is important for female libido to deliver blood to the genitals and increase blood flow to the clitoris which helps to increase sexual arousal and the likelihood of reaching an orgasm, while Yohimbine boosts libido, sexual enjoyment and performance. It has been shown to increase blood flow to the libido, which can improve sensitivity to touch and ability to achieve an orgasm.

SUGGESTED USE:

As a dietary supplement, take one (1) to two (2) softgels, 60-90 minutes pre-workout, or as directed by your healthcare provider.

MEN'S FERTILITY

FertilKey-M

TM214 60 Softgels

DESCRIPTION

Fertility is a key to a healthy and content life. FertilKey-M is a science-based male fertility supplement that helps promote male reproductive health, improves sperm motility, sperm quantity and increases chances of conception. FertilKey's-M blended formula of premium antioxidants, amino acids, specific vitamins and minerals such as Co-Enzyme Q10, Inositol, Astaxanthin, Lycopene and Selenium, which promote normal spermatogenesis, testosterone levels, improve cellular productivity, enhance blood flow to the genitals and most importantly increase sperm count, motility and morphology that enhance overall male reproductive capabilities.

SUGGESTED USE:

As a dietary supplement, take two (2) softgels a day preferably with a meal, or as directed by your healthcare provider.

L-Glutathione Reduced	*	
L-Arginine HCl	*	
L-Lysine	*	
Ashwagandha	*	
Panax Ginseng root	*	
Muira Puama Bark Extract	*	

* Proprietary Blend.

** Daily Value not established.

DESCRIPTION

Spermatozoon Plus is a dietary supplement based on L-Arginine, Ashwagandha, Selenium, Co-Enzyme Q10 and vitamins that have proven to enhance sperm development, increase sperm count and promote the cell's motility. Vitamin C contributes to the protection of cells from oxidative stress. While, L-Arginine increases the chances of conception by supporting male erectile function. In addition, the male testicles require L-Arginine to produce sperm. In a global study, the intake of 500 mg per day of Ashwagandha leads to an increase in sperm count in men.

SUGGESTED USE:

As a dietary supplement, take two (2) capsules daily in divided doses preferably with a meal, or as directed by your healthcare provider.

PrimeMotility

TM217 60 Vegetarian Capsules

MEN'S FERTILITY

SUPPLEMENT FACTS

DESCRIPTION

Viva Booster is formulated with powerful ingredients to help boost testosterone production within the normal range. It includes a combination of Maca, Tribulus, L-Arginine and Yohimbine to improve male performance, blood flow to the genital area, naturally enhancing erections and the body's sexual response. This formula may have positive effect on low sexual desire and erectile dysfunction.

SUGGESTED USE:

As a dietary supplement, take two (2) caplets 60-90 minutes pre-workout, or as directed by your healthcare provider.

WELLNESS FERTILITY SUPPLEMENTS

Trio-Q10 400 mg

TM224 30 Softgels

WELLNESS FERTILITY SUPPLEMENTS

SUPPLEMENT FACTS

Serving Size: 1 Softgel
Servings Per Container: 30

Amount Per Serving	% Daily Value	
Vitamin E (as d-Alpha Tocopherol)	67 mg	447%
Co-Enzyme Q10 (as Ubiquinol)	400 mg	**

**Daily Value not established.

DESCRIPTION

Trio-Q10 helps to improve fertility, healthy pregnancy, egg quality in older women and the functioning of cells. It supports egg and sperm health by neutralizing free radicals by promoting cellular energy production. It also functions as a strong antioxidant by protecting cells from damaging oxidative reactions caused by free radicals. Trio-Q10 supports healthy sperm count, motility, density, morphology and DNA integrity.

Trio-Q10 supplementation is well known to support cardiovascular health, reproductive health in men & women and neutralizes free radicals.

SUGGESTED USE:

As a dietary supplement, take one (1) softgel a day, preferably with a meal, or as directed by your healthcare provider.

DHEA 25 mg

TM225 60 Vegetarian Capsules

WELLNESS FERTILITY SUPPLEMENTS

SUPPLEMENT FACTS

Serving Size: 2 Vegetarian Capsules

Servings Per Container: 30

Amount Per Serving	% Daily Value
DHEA (Dehydroepiandrosterone)	25 mg **

**Daily Value not established.

DESCRIPTION

DHEA is a hormone produced by the adrenal gland. It is the body's most abundant circulating hormone, but DHEA levels begin to decline over time. Intake of DHEA supplement can help in the production of optimal hormone levels and promotion of healthy immune functions, circulatory health, positive mood, lean muscle mass, sexual function and much more.

DHEA increases testosterone levels in the body and may improve several aspects of sexual function, including libido and fertility in men and women. Benefits are primarily seen in those with impaired sexual function.

SUGGESTED USE:

As a dietary supplement, take two (2) capsule a day, preferably with a meal, or as directed by your healthcare provider.

Maca 500 mg

TM223 60 Vegetarian Capsules

WELLNESS FERTILITY SUPPLEMENTS

SUPPLEMENT FACTS

Serving Size: 1 Vegetarian Capsule

Servings Per Container: 60

Amount Per Serving	% Daily Value
Maca (Lepidium Meyenii)	500 mg **

**Daily Value not established.

DESCRIPTION

Maca is a plant found in Peru which supports libido and energy levels in both men and women.

Men fertility

Studies have shown major increases in sperm count, motility, and semen volume. Men may also experience an increase in sexual desire and function when taking Maca.

Female Fertility

Maca's restores hormonal balance in female fertility. It may help suppress estrogen dominance, and encourages a favorable estrogen/progesterone balance allowing conception. Women also reported an increase in libido and sexual function when taking Maca.

SUGGESTED USE:

As a dietary supplement, take one (1) capsule a day, preferably with a meal, or as directed by your healthcare provider.

Acetyl L-Carnitine 1000 mg

TM226 60 Tablets

WELLNESS FERTILITY SUPPLEMENTS

SUPPLEMENT FACTS

Serving Size: 2 Tablets

Servings Per Container: 30

Amount Per Serving	% Daily Value	
Calcium (as Calcium Carbonate)	300 mg	30%
Acetyl L-Carnitine (from Acetyl L-Carnitine HCl)	1000 mg	**
Alpha Lipoic Acid	400 mg	**

**Daily Value not established.

DESCRIPTION

Acetyl L-Carnitine has stronger antioxidant properties, which are particularly more helpful for female fertility than LC. It helps promote a healthy female reproductive system, and may also aid fertility in women with PCOS.

Acetyl L-carnitine helps sperm maturation, enhances their motility, with normal anatomy, morphology and protects spermatozoa against oxidative damage. It has important roles for male fertility as it is naturally found in human sperm and seminal fluid.

Alpha Lipoic Acid is an important antioxidant that increases fertility in both men and women. It also improves the sperm motility rate and reduces the sperm DNA damage, thereby improves sperm quality.

SUGGESTED USE:

As a dietary supplement, take one (1) tablet two times a day, preferably with a meal, or as directed by your healthcare provider.

Handwriting practice area with 20 horizontal dotted lines.
