DESCRIPTION

Vitamin D helps kids absorb Calcium, which they need to build strong bones and healthy teeth. Most bone density is built during childhood, so kids who build strong bones now will have healthier bones throughout life.

Vitamin D has long been known for its important role in regulating the body's levels of Calcium and Phosphorus, as well as supporting mineralization in the bones. Hummi Bears Vitamin D 1000 IU Gummies are Cholecalciferol, the natural, most easily absorbed and utilized form of vitamin D. Each great-tasting, chewable gummy provides 1000 IU (25 mcg) of Vitamin D3. All of our gummies formulas are vegetarian, non-GMO and gluten-free, gelatin free, with no artificial colors, flavors or preservatives. Kosher/Halal.

- Promotes strong bones, teeth and muscles*
- Helps support immunity and moods*
- Easily absorbed vitamin D3 for bone health*
